Character and Level of Clandestine Operations in FY 1960

REF : Memorandum for Director of Central Intelligence from
Acting Deputy Director (Plans), Subject as above, dated
2 April 1958 TX-15/21000

The views of the Comptroller on the attached paper are outlined in the memorandum of 5 March 1958 to DD/P from DD/S. If, however, it is decided to approve the proposal as submitted, further consideration can be given to the Clandestine Operations requirements in relation to other Agency requirements and the total the DCI desires to submit to the Bureau of the Budget as the Agency's request for Fiscal Year 1960. This determination will be made when a complete review of the over-all Agency estimates is made in early July 1958 subsequent to the submission of Preliminary Estimates.
